

Amazing & Unforgettable!

Mike, I just wanted to say on behalf of Amber, myself, my parents, Amber's parents, and all of our guests at the reception that Jumpstart gave us all an amazing and unforgettable performance! We are very pleased with how the reception turned out, and we all had so much fun! Thank you and your band-mates for providing us with great music and a rockin' party! The dance floor was packed all night long! Sincerely, Nick & Amber
